The story is translated to English and covers Action, Adventure, Fantasy, Romance, Seinen genres. Lightnovelreader.com releases the latest English translated chapters of Nejimaki Seirei Senki - Tenkyou no Alderamin and can be read for free. The Katjvarna Empire, in a state of war with the adjacent Kioka Republic. In that region, due to certain circumstances, there was a certain youth unwillingly preparing to take the High Grade Military Officer Exam. His name, Ikta. Disliker of war, lazy, admirer of women. No one predicted that that kind of Ikta would later on become a soldier referred to even as a great commander... Ikta, the one who survived a world embroiled in war with his superior genius. The curtain is raised at last on a splendid fantasy military history illustrating his stormy, dramatic life! The Cover Art of Volume 7 Alderamin on the Sky (Nejimaki Seirei Senki - Tenkyou no Alderamin) (ねじ巻き精霊戦記 天鏡のアルデラミン) is a Japanese light novel series written by Uno Bokuto (宇野朴人), with illustrations by Sanba Sou (さんば樺), published by ASCII Media Works under their Dengeki Bunko label. The series took the 2nd spot in "This Light Novel is Amazing 2014". A TV series anime adaptation has been announced for 2016. Synopsis The mighty Katjvarna Empiro is currently embroiled in a war with the neighboring Kiorka Republic. Within an unspecified corner of this empire, a certain young man was reluctantly preparing to take the High Grade Military Officer Exam owing to mysterious circumstances. His name is Ikta. As a man, Ikta abhors war, is slothful by nature, and worships the female form. At the time, no one could have possibly predicted that a person like him would become a military figure worthy of being called a legendary general..... The young Ikta, armed with his superb talents as a soldier, struggles to survive in a world ravaged by war. This tale will recount his tumultuous life up until this point, as the curtains are drawn for a spectacular chronicle of fantastical warfare! Editors I translate for grammatical accuracy and edit myself for flow, clarity and nuance. Readers are welcome to fix any minor grammatical or spelling errors that they find, but please contact me concerning any major grammatical errors that involve the meaning of the text (which do occasionally occur) for future reference. I realize that what's grammatically accurate isn't always the translation that sounds the best, so I'm also open to stylistic suggestions. Note to Readers In this series, all of the characters are actors playing themselves in a theater production, a quite literal interpretation of the phrase "All the world's a stage, And all the men and women merely players." The narration is given from the perspective of the audience, so I recommend trying to imagine everything in the context of a stage as you read. Enjoy! You can share and discuss this series here. Translation Registration Those who wish to contribute are asked to first notify a supervisor beforehand. Translators are asked to register for chapters they want to work on Format Standards Every Chapter (after editing) must conform to the general format guidelines. Within an unspecified corner of this empire, a certain young man was reluctantly preparing to take the Military Officer Examination owing to mysterious circumstances. His name is Ikuta. As a man, Ikuta abhors war, is slothful by nature, and worships the female form. At the time, no one could have possibly predicted that a person like him would become a military figure worthy of being called a legendary general..... The young Ikuta, armed with his superb talents as a soldier, struggles to survive in a world ravaged by war. This tale will recount his tumultuous life up until this point, as the curtains are drawn for a spectacular chronicle of fantastical warfare! Contents Volume 1 (Baka Tsuki) Colour Pages Volume 2 Colour Pages (Baka Tsuki) Volume 3 Colour Pages (Baka Tsuki) Chapter 4 Volume 10 Showing 1-43 Start your review of Alderamin on the Sky (Alderamin on the Sky, #1) Rating all of the manga. 32/32 chapters (manga discontinued at a good ending spot)5 stars I really, really liked it. It is considered a "favorite".It's been a while since I read a book that could really make me feel things. Not just feel for individual characters and wanting a continuation of the story, but also feel the beauty and sadness of the world we live in. This book was able to do that for me again, and I'm grateful for the experience.Characters: 3.5/5 likedThese are characters that real Rating all of the manga. 32/32 chapters (manga discontinued at a good ending spot)5 stars I really, really liked it. It is considered a "favorite".It's been a while since I read a book that could really make me feel things. Not just feel for individual characters and wanting a continuation of the story, but also feel the beauty and sadness of the world we live in. This book was able to do that for me again, and I'm grateful for the experience.Characters: 3.5/5 likedThese are characters that really feel human in a way that few ever do. Even though the entire manga doesn't take more than 6 hours to read, you still form a connection with the characters. The main characters are varied, and even the side characters have distinct personalities and goals. Really though, you should be reading this for the story.World: 2/5 okayThe world here is such a backdrop to the story that it cannot be rated higher, since it is overshadowed so completely. However, it does a fantastic job supporting the story. The setting is on a continent with empires and strife, and technology (and combat) seems to be set near the US Civil War. Palisade forts housing cannons, observation balloons, and single shot rifles supplemented with bayonets are the norm. The one allowance that is made is that sword combat is still useful. To avoid completely grounding the story, gunpowder is replaced by magical spirits that generate and heat compressed air.Story: 5/5 tremendousThis short series tells a gripping story of loss, humanity, love, and the many faces of every tragedy. The characters, decent as they are, are really supporting this tragic story. While pacing is slightly off at points, this is still the first story of this sort that I have seen in short manga form. The blatant connection to humanity as we know it makes it far easier to empathize with compared to other tragic works such as Nausicaa, and increases the direct emotional impact of the story. That said, this story does not try to go for sweeping messages about the place of humans in the world, but instead tells a much more personal story of individuals trying to get by and do what they think they should. Though the fact that the manga is not continuing is disappointing, it ended in a very good place, and I have no complaints. (for the record, I have not interacted with this story through any other medium, so I don't know how good the rest of it could have been)Go try it.more Jul 11, 2017 Elinor rated it really liked it Un premier tome intrigant et bien mené, globalement. Le monde semble riche, les personnages intéressants, le tout prometteur. Nov 03, 2017 Mayank Agarwal rated it liked it This manga is based on a Japanese light novel. It had such a promising start but it got dropped pretty early, it's so frustrating when you are enjoying a work but it's left uncompleted. The setting is a Stom Punk Fantasy world with tactical warfare as the focus of the plot. It's the start of rifle age, with swords still playing a major part, air balloons are the next new thing. Also, everyone got some spirit companion who can do some neat tricks. This was supposed to be the journey of a recruit This manga is based on a Japanese light novel. It had such a promising start but it got dropped pretty early, it's so frustrating when you are enjoying a work but it's left uncompleted. The setting is a Stom Punk Fantasy world with tactical warfare as the focus of the plot. It's the start of rifle age, with swords still playing a major part, air balloons are the next new thing. Also, everyone got some spirit companion who can do some neat tricks. This was supposed to be the journey of a recruit to becoming the highest military officer in the country using brains. We only cover about two arcs, one in regard to the training of recruits and the next of their first campaign before the manga was dropped. It had good art to go along with the interesting plot and world-making. Its a 5-star manga till now but deducting 2 stars as its left uncompleted.more Lola rated it liked it May 21, 2021 Robert rated it it was amazing Jun 22, 2020 Camus rated it it was amazing Dec 01, 2021 Megan rated it really liked it Jul 15, 2017 Jorge A Erosa rated it really liked it Jul 06, 2021 Brandon Toh rated it really liked it Jun 09, 2019 Dania rated it it was amazing Sep 22, 2017 Amo rated it really liked it May 24, 2021 Vyarusz rated it it was amazing Jul 03, 2019 Juanda rated it it was amazing Mar 06, 2022 Nicole marked it as to-read Nov 17, 2017 Kristen marked it as to-read Jan 10, 2018 Jericho marked it as to-read Jul 23, 2018 Kelly marked it as to-read Nov 06, 2018 Byrappa marked it as to-read Feb 17, 2019 Michaela marked it as to-read Jul 22, 2019
